## SUMMARY

I want to join this job because I have many time and I want to get experiences from this job. I have no experiences because I'm a fresh graduate. But if you can guide me the way about the job's rules, I can obey, try and do as much as I can. Even I don't know how to do the tasks, if you explain me, I think I can carry out. That's the reason you should hire me.
